

## **IMPORTANT DISCLOSURE INFORMATION**

This document is intended for informational purposes only and contains the opinions of Camden Capital and should not be taken as a recommendation to invest in any asset class or foreign securities market. The information contained in this report is current only as of the earlier of the publishing date and the date on which it is delivered by Camden Capital. All information in this report has been gathered from FEG (also known as Fund Evaluation Group, LLC) and sources we believe to be reliable, but we do not guarantee the accuracy or completeness of such information. The economic performance figures displayed herein may have been adversely or favorably impacted by events and economic conditions that will not prevail in the future. Past performance is not indicative of future results. All investments involve risk including the loss of principal.

Index performance results do not represent any managed portfolio returns. An investor cannot invest directly in a presented index, as an investment vehicle replicating an index would be required. An index does not charge management fees or brokerage expenses, and no such fees or expenses were deducted from the performance shown.

Neither the information nor any opinion expressed in this report constitutes an offer, or an invitation to make an offer, to buy or sell any securities.

Any return expectations provided are not intended as, and must not be regarded as, a representation, warranty or predication that the investment will achieve any particular rate of return over any particular time period or that investors will not incur losses.

Past performance is not indicative of future results.

Investments in private funds are speculative, involve a high degree of risk, and are designed for sophisticated investors.

All data is as of August 30, 2021 unless otherwise noted.
