

## **Barron's Recognizes John Krambeer as Top 100 Independent Wealth Advisor Four Years in a Row**

**Los Angeles, September 2019** – Camden Capital's CEO and Founder, John M. Krambeer, has been distinguished by Barron's as one of America's Top 100 Independent Wealth Advisors for a fourth year in a row.

Mr. Krambeer was ranked 17<sup>th</sup> among 100 top independent wealth advisors across the United States, a significant leap from the 41<sup>st</sup> ranking in 2018. The 2019 ranking reflects the volume of assets overseen by the advisor and their team, revenue generated for the firm and the quality of the advisors' practice. The scoring system assigns a top score of 100 and rates the rest by comparing them with the top-ranked advisor.

"This recognition from Barron's is a prestigious honor for our firm and our trusted families," stated Camden Capital's Founder and CEO, John Krambeer. "This ranking is a reflection of the efforts of our entire firm collectively. I credit our success to the strong relationships we have built and the dedication and contributions of each employee of Camden Capital. We are grateful for the families that we work with and we are honored to be a part of this exclusive list."

"Our focus on providing a world-class service and investment offering tailored to sophisticated families and individuals has been a key driver to our growth," added Camden Capital's President and Partner, Rich Bursek. "Our existing client base continues to refer new business opportunities and they continue to increase their investments under management. We are honored by this level of client testament."

Camden Capital provides a holistic approach to wealth management, legacy planning and family office services for prominent high and ultra-high net worth families, business owners and entrepreneurs. With a focus on developing long-term relationships with its clients, Camden Capital has primarily grown exclusively through referrals. Its independent structure, objective platform and underlying fiduciary duty differentiate it from a majority of the traditional firms. The firm's relentless commitment to achieving its clients' objectives, investment access and consolidated performance and tax reporting are at the core of its value proposition. Camden Capital has offices in Los Angeles, Century City and North Palm Beach. More information is available by visiting [CamdenCapital.com](http://CamdenCapital.com).
