

Forbes Recognizes Kara Boccella as a Top Wealth Advisor

Los Angeles, January 2020 – Kara Boccella, Managing Director of Camden Capital’s Century City office, has been distinguished by Forbes as one of the best wealth advisors in the country.

The 2020 ranking reflects a combination of quantitative and qualitative data, including revenue production, assets under management, in-person meetings, and assessment of how the advisor exhibits “best practices.” Each variable is weighed and interpreted in an algorithm to fairly compare the business practices of each advisor.

“This Forbes ranking is a testament of our impactful and high-quality approach to serving our clients,” stated Managing Director, Kara Boccella. “I am thrilled that our culture of dedication and boutique-level service has been recognized by Forbes.”

“We are grateful to have Ms. Boccella as a part of our team and are continually impressed by her ability to build and nurture strong, long-lasting client relationships.
